# Important Information

## You will need:

DMC thread in the colours specified in the colour key, or your own selection from embroidery thread you already have.

Needle/needles.

Fabric which is large enough to include the completed stitched piece and the allowance required for framing or completing your desired project.

## Design measurements and fabric:

You will find measurements for the design in relation to various sizes of fabric count listed on the page containing the thread key.

The model is shown as being stitched on 16 count orange Aida fabric, however it would also look wonderful on cream, taupe or purple fabric.

## Useful information for beginners.

There are many cross stitch resources available online for beginners. Here are some links to the DMC website for instructions which are easy to follow and will get you started.

What is cross stitch?

This chart has been designed and published with the intention that it is without mistakes. Should you spot something I have missed I'd be so grateful if you would let me know. I am not responsible for printer output quality, the printer formatting or the outcome of the stitched piece.

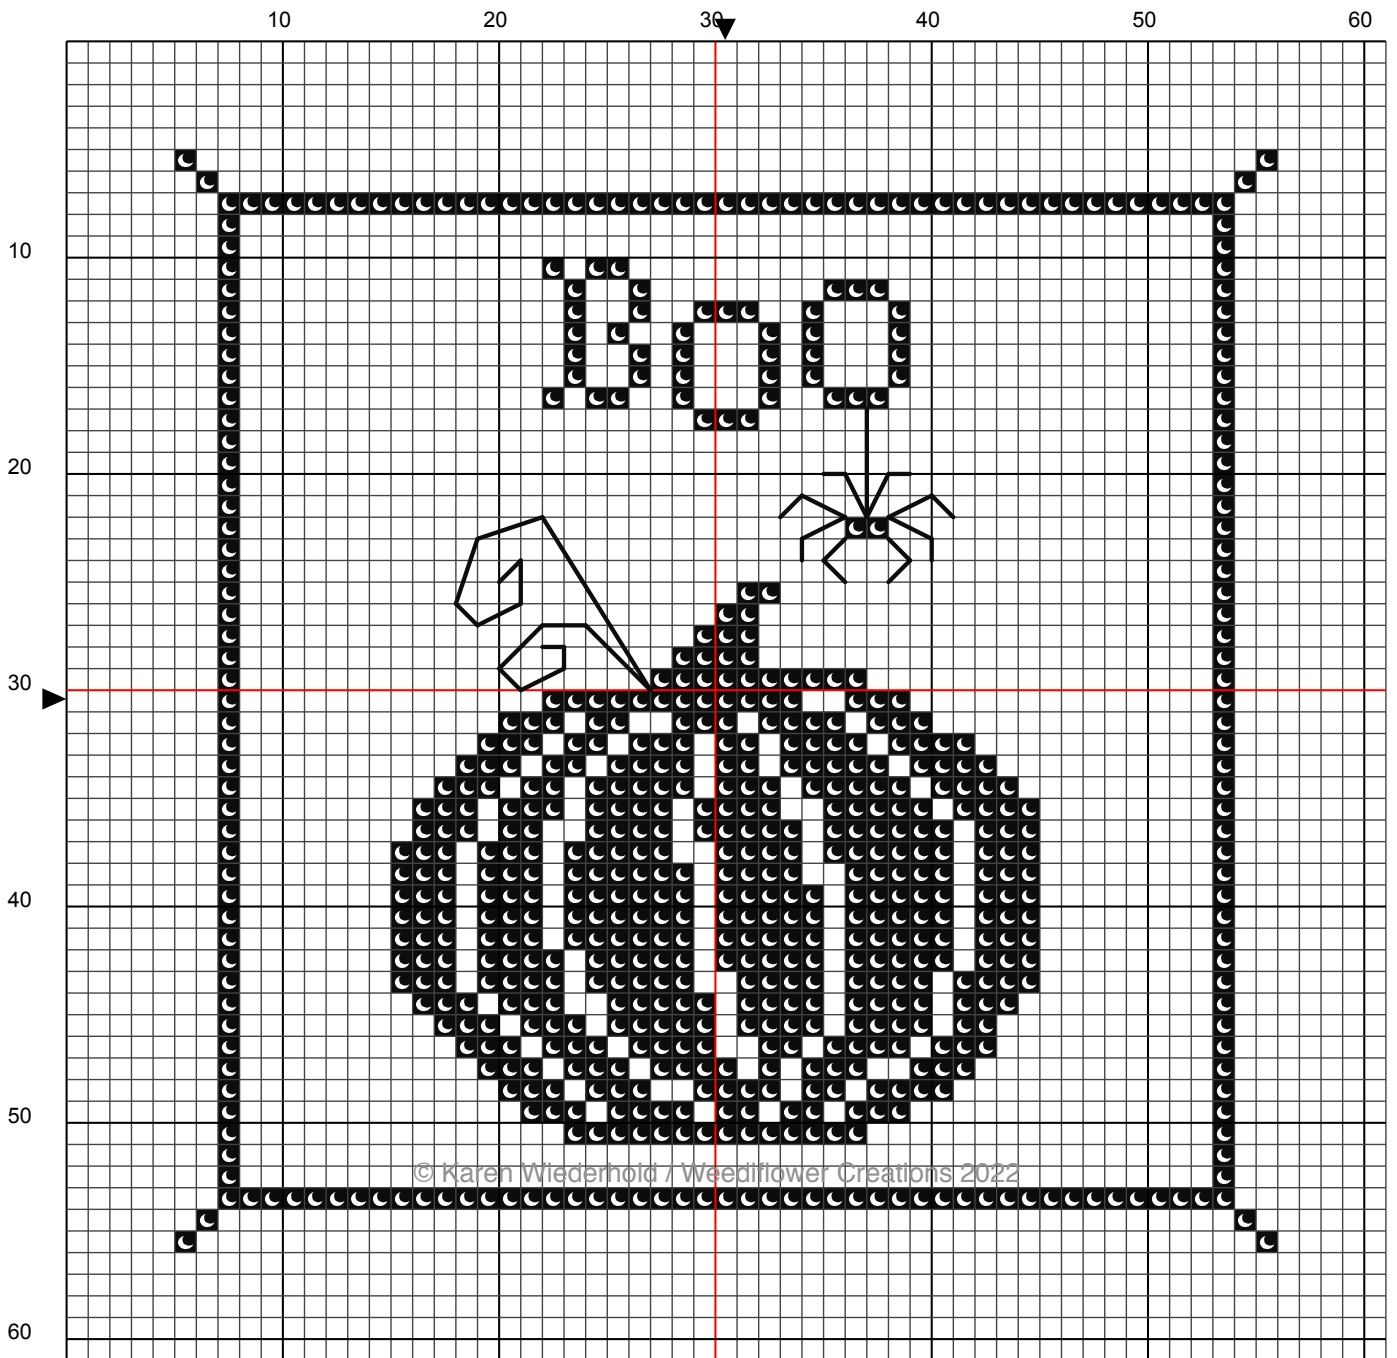

Please do not share, trade or sell this digital pattern by any printed or electronic means, or use this design for the mass production of items whether by machine embroidery or other production methods.

If in doubt, please contact me via my website.
