

VALENTINE'S DAY CARD

You will need:

1 white card blank,
4 x 3.5 inch piece purple cardstock,
4 x 1 inch piece hot pink cardstock,
3 pink mini brads,
4 inch length pearl strand,
5 inch length fuchsia chiffon ribbon,
4 inch length ivory lace,
Translucent or White Fimo.

To make the heart:

Take a thumb sized piece of Fimo and warm it between your palms for pliability. Roll into a ball, then on a flat surface roll into a sausage measuring 10 inches in length. Cut in half, lie side by side and then twist one pair of ends around one another. Bend the sections into a heart shape and then twist the remaining pair of ends around one another. Bake as per packaging instructions.

Mount three brads, evenly spaced in a line down the left hand edge of the purple piece of cardstock. Glue this to the front of the card.

Adhere the pink piece of cardstock along the bottom edge of the purple piece, then cover the join of these two pieces with the lace.

Using small dots of wet glue, attach the pearl strand across the section of lace.

Tie a ribbon around the heart and glue this to the card with super glue.
